

THE CURRY & CONVERSATION CHARITY CRICKET LUNCH

FEATURING AUSTRALIAN CRICKET GREATS,
JEFF THOMSON & KIM HUGHES

With the arrival of the West Indies in Perth for the 3rd test at the WACA, join the world's fastest ever bowler and the former Australian captain as they look back over past battles whilst also giving their own unique and forthright opinions on cricket in 2009 & beyond.

Monies raised from this lunch will go to the Motor Neurone Disease Association of WA (MNDAWA) to provide care services for people living with MND in WA, to help them live better for longer. The association also makes a contribution to the MND Research Institute of Australia in support of its research into MND.

Your restaurant host, James Michael-Samy and Head Chef, Eshaq Ali Shaik have pleasure in inviting you to experience their authentic Indian dining. Come see why this restaurant is regarded as one of Perth's best.
